The Core Formula!

- * I think now you have an Idea about the Core Formula.
- * If you follow this formula, you can be successful.
- * This formula can be applied to any online business.
- * Before jumping to start blogging, familiar with this formula.

Formula #1 - Foundation

I broke the Foundation part into 3 pieces. They are,

1. Knowledge.
2. Writing Skills.
3. Blog Design.

1.Knowledge.

I took this first because without the knowledge you can't be a Blogger. When you choose your niche, you have to choose the niches you know, you're familiar with, you have mastered.

Formula #1 - Foundation

2. Writing Skills.

Words are the most powerful tool. So you need to use words smarter than other bloggers.

- * Your writing style affects to your readers.
- * Your funny folks affect to your readers.
- * Your interesting story affects to your reader.
- * Your every spelling, grammar, Capital & Simple errors affect to your reader.

Take Care All Of Them

Formula #1 - Foundation

3. Blog Design.

When your reader first came to your blog, see your Blog Design first. So if it's not attractive reader may leave your blog.

- * Use attractive graphics.
- * Make it a clean, clear and neat design.
- * Use very useful widgets only.
- * Make your blog colors cool not Hot!

Try These

Formula #2 - Content

This is the king of your blog. If it's sucks, you also sucks!
Include these types of contents too.

1.Killer Posts

2.Videos

3.Images

4.Presentations

5.Ebooks

Different kind of people like Different things

Optimize your post titles, body and use your Writing Skill which I talked with you in Formula #1.

Formula #3 - Promotion

This part is need only If you already achieve Formula #1 and #2. Your time will waste if you do.

This part can be divided into 2 parts.

1.SEO

2.Advertising

Because [Link Building](#) part is included in Off-Site SEO. After you achieve #1 and #2 participate in Link Building and SEO. Advertising is not Always necessary unless you need an Quick Boost.

Inspirational Posts

Now you learned the Core Formula and you have to learn it's divided parts now.
